

IT DOES ME GOOD!

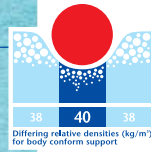

AC 400

Mattress BULTEX® active care

Mattress BULTEX® with double cell structure

- double and thus more precise and dynamic support
- extended durability
- improved aeration

Core

Mattress BULTEX® active care technology:

- Best quality characteristics concerning breathability, ventilation, moisture management, handling.
- 7-zone design with reinforced middle zone and straight foam incisions.

Additionally equipped with "Hygiene-Catalyst".

- Newly invented addition for permanent prevention from malicious microorganisms like bacteria. Also effective against dust mites due to withdrawal of their basic food resource. Health- and environment-friendly.

Core height: approx. 16 cm

Fine padding

Synthetic Aqua care climate-controlled fibre quilted with cover.

- Hygienic, moisture-regulating and easy to clean.
- Antibacterial for inhibiting bacteria growth as well as prevention of odors.

Washable up to 60° C. Suitable for those suffering from dust mite allergy.

Cover

Clima care-cover.

- Permanent antibacterial coating of the fibres.
- Fresh and hygienic due to inhibition of bacteria growth.
- Effective against dust mites.
- Skin- and environment-friendly.

Can be removed with a circular zip in the middle.

Overall mattress height: approx. 19 cm

MATRATZEN BULTEX

active care

THE MATTRESS WITH DEFENCES

In focus of this new mattress development is prevention for skin-close comfort and hygienic protection, for complete perfect sleep...

A team of European sleep scientists and engineers has perfectly implemented this idea.

Mattress BULTEX® active care – The mattress with defences.

Drill ticking design : A999

Textile description : 85 % PES, 14 % CV, 1 % EL
