# Concept Plus

## Mattress base technology

### Shoulder comfort zone

**Flexible shoulder comfort zone** for improved vertebra column support, especially when lying on the side.

Slats include slits for better flexibility and ventilation.

### Middle section reinforcement

**Continually adjustable firmness regulation** with dual slat system.

Load-distributing centre strap.

### Caps

Slats encased in adjustable **rubber duo-caps** to ensure a flexible, noiseless suspension.

Surface structure prevent mattress from sliding.

### Spring slats

**5-zone support** and **-spring functionality.**

**28 multi-veneered spring slats** (200 cm long) made from selected beech wood (shoulder zone green).

Outer frame made from beech plywood and cross-frame from solid beech.

### Versions available

#### Concept Plus S

Non-adjustable.

#### Concept Plus KF

Extra long head and foot components manually adjustable with hand loops.
