

Neck support pillows

Sensipur Dream

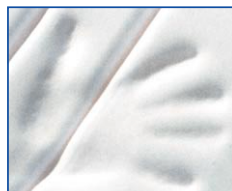

www.schlaraffia-international.com

SCHLARAFFIA neck support pillows made from Sensipur, the special Recticel foam that reacts to body heat. Featuring a ventilation system, it helps prevent muscle stiffness and a cramped sleeping position. Two height-variable sides allow for different sleeping habits and varied head and body positions. SCHLARAFFIA neck support pillows are the ideal complement to the SCHLARAFFIA sleeping system.

Sensipur reacts to body temperature, thus preventing muscle contractions and stiffness.

Core type:

Core made from Sensipur, the exclusive, special Recticel foam, with "slow recovery effect" and pressure-relieving absorption of the head.

Cover:

High quality cover with aloe vera for cuddly-soft contact comfort. Especially suitable for sensitive skins. Removable.
