

Beauty pillow

NECK SUPPORT PILLOW

Core

sembella® natural rubber:

- ➔ 4-zone contoured shape for optimal ergonomic neck support and relief for the cervical vertebra.
- ➔ Surface structure for enhanced ventilation and conditioning.
- ➔ Washable up to 30° C. Do not tumble-dry.

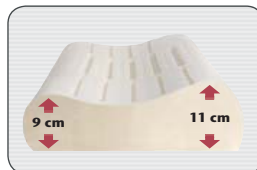

Cover

Clima Sea® cover.

- ➔ Breathable and moisture-regulating.
- ➔ Skin-protecting and anti-inflammatory effect can be achieved by added algae.
- ➔ Washable up to 30° C. Do not tumble-dry.

Can be removed with a zipper.

Two-way height flexibility for individual sleeping comfort.

The algae cellulose-fibre into the cover offers a verifiable nurturing effect with active-algae-elements.

Drill ticking design : 1675
