

www.schlaraffia-international.com

SCHLARAFFIA neck support pillows made from Sensipur®plus, the special Recticel foam that reacts to body heat. Featuring a ventilation system, it helps prevent muscle stiffness and a cramped sleeping position. Two height-variable sides allow for different sleeping habits and varied head and body positions. The SCHLARAFFIA neck support pillows are the ideal complement to the SENSIPUR®plus mattress collection.

Sensipur reacts to body temperature, thus preventing muscle contractions and stiffness.

Two-way height flexibility for individual sleeping comfort.

Core type:

Core made from SENSIPUR®plus, the exclusive, special foam from Recticel, with "slow recovery effect" and pressure-relieving absorption of the head.

Cover:

Exclusive skin friendly cover with temperature regulation. Washable up to 60°C with a zip along the longest side. Removable. Suitable for those suffering from dust mite allergy.

Measurements (W x D x H):
 approx. 75 x 31 x 10/8 cm.

Drill ticking design : 993
