Mattress BÜLTEX® from SCHLARAFFIA is the most successful mattress technology launch of the 90s. The secret of success lies in the extraordinary material properties. The patented, award winning production process is unique in Europe, featuring outstanding test results for comfort, temperature maintenance, and ecological aspects. Based on this, SCHLARAFFIA has now developed BÜLTEX® plus, with revolutionary new plus points for perfect body support and healthy sleep.

Breathable, moisture regulating cell structure, similar to that of natural sponge.

- plus** Higher relative density BÜLTEX® is used in the hip and lumbar zones for guaranteed better support comfort
- plus** Cell structure similar to natural sponge – moisture regulating and breathable
- plus** Conforming shoulder comfort zone

- plus** Anatomically defined groove spacing and depth for perfect body conformity
- plus** Despite heavyweight features, extremely light in physical weight for easy mattress turning
- plus** A SCHLARAFFIA creation – the brand for healthy sleep

Core type:

Mattress BÜLTEX® plus 7-zone technology with reinforced middle zone and shoulder comfort zone as well as intelligent groove technology. Differing relative densities for body conform support.

Core height: approx. 17 cm

Cover:

Exclusive, removable Clima feel cover, made from skin-friendly, temperature maintaining fibre that diverts moisture away from the body and offers especially pleasant contact comfort.

Fine padding quilted with the cover:

Hygienic, highly elastic Aqua luxe hollow fibre for optimal temperature maintenance. Removable cover with 4-sided zip, washable up to 60° C. Suitable for those suffering from dust mite allergy.

Overall mattress height: approx. 20 cm

Drill ticking design : 975

Textile description : 40% CLY, 25% PES, 35% PA

Available in firmness grades H2 and H3. Standard sizes 80/90/100 x 190/200 cm as well as extra large sizes up to 120/140/160 x 200/210/220 cm.

The quilting pattern may vary with extra-large sizes, for technical reasons.
