

www.schlaraffia-international.com

SCHLARAFFIA mattresses made from SENSIPUR® plus, the special RECTICEL foam which reacts to body heat, thus perfectly moulding to the shape of the body, combined with body-supporting mattress BÜLTEX® technology, which means: no dents, no stiffening, just an ergonomically correct sleeping position. Featuring the exclusive Clima cover, these visco-elastic SCHLARAFFIA mattresses promise pure relaxation!

Pressure-relieving absorption.

### Stronger materials. More sleeping comfort.

#### 1. Total pressure relief

The body's warmth makes SENSIPUR® plus adapt more closely to the body.

#### 2. Perfect "spring back"

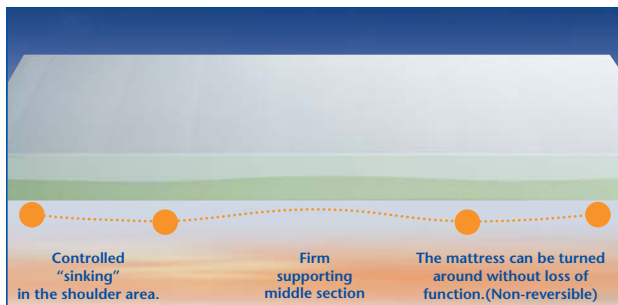

With 2 or 3-zone technology and comfortable, ergonomic groove technology that makes it easy to shift position.

#### 3. Optimal ventilation

The refreshing combination of layers ensures permanent hygiene - and prevents unpleasant sweating.

#### 4. Innovative covers

The new covers improve sleeping comfort and ventilation. All year round.

#### Core type:

2-zone technology with "comfort waves" to ensure controlled "sinking" in the shoulder area and support in the middle section.

The contact surface is made from SENSIPUR® plus, that contains heat-sensitive materials to mould to the body and reduce pressure points.

Supporting mattress BÜLTEX® base with a reinforced middle section and a softer shoulder area.

Overall core height: approx. 14 cm

Top: Approx. 6 cm, 4 cm, 6 cm SENSIPUR® plus

Bottom: Approx. 8 cm, 10 cm, 8 cm mattress BÜLTEX®

#### Cover:

Exclusive skin friendly cover with temperature regulation. Washable up to 60° C with 4-sided zip. Removable.

Suitable for those suffering from dust mite allergy.

Overall mattress height: approx. 15 cm
