

# Deluxe Plus

## Mattress base technology

Slide technology on the caps in the middle section and third visual slat

### Shoulder comfort zone

**Flexible shoulder comfort zone** for improved vertebra column support, especially when lying on the side.

Slats include slits for better flexibility and ventilation.

### Middle section reinforcement

**Continually adjustable firmness regulation** of each individual slat with slider technology on the caps. Additional deeper-set, visual slat.

### Caps

Slats encased in flexible, individually sprung **caps made from High-Tech plastic** to ensure a flexible, noiseless suspension.

Surface structure and **raised end caps** prevent mattress from sliding.

### Spring slats

**7-zone support** and **-spring functionality**.

**28 multi-veneered spring slats** (200 cm long) with decorative metallic coating (shoulder zone red).

Outer frame made from beech plywood and cross-frame from solid beech.

**Extra wide slat system** in the head and foot sections.

Spring functionality out to the edges to avoid "sagging" on double beds.

### Available Versions

#### Deluxe Plus S

Non-adjustable.

#### Deluxe Plus KF

Extra long head and foot components manually adjustable with hand loops.

#### Deluxe Plus M

Continuous adjustment from high performance double motor with maintenance free mains disconnect relay and emergency power lowering for power failures. Separately adjustable leg section for relaxed reading.
