Double is better!

SCHLARAFFIA pocket spring core in a patented insertion system and mattress BÜLTEX® comfort foam – two excellent, patented core technologies forming a long-lasting partnership in this SCHLARAFFIA collection. A number of benefits for perfect body support and restoring sleep.

- Maximum core comfort with the combination of SCHLARAFFIA – pocket spring core and mattress BÜLTEX® in the **patented insertion system**
- Soft absorption **in the shoulder area** – advanced load bearing capacity **in the middle area**
- Additional support from padding layers with **comfort structure** and **reinforced middle zone**
- Exclusive covers for cuddly-soft contact comfort – **anti-bacterial and moisture regulating**
- A SCHLARAFFIA creation – **the brand for healthy sleep**

Core type:

Point-elastic multi-zone barrel-shaped pocket spring core featuring the patented SCHLARAFFIA insertion system with extra-firm lumbar zone and BÜLTEX® mattress absorption in the shoulder and hip areas gives much greater support across the whole sleeping surface.

Core height: approx. 12 cm

Padding layer:

Mattress BÜLTEX®plus 7-zone padding featuring comfort structure and reinforced middle zone.

Padding layer height: approx. 25 mm

Overall core height: approx. 17 cm

Cover:

Exclusive, removable Clima feel cover, made from skin-friendly, temperature maintaining fibre that diverts moisture away from the body and offers especially pleasant contact comfort.

Fine padding quilted with the cover:

Hygienic, highly elastic, temperature maintaining fibre. Removable cover with 4-sided zip, washable up to 60° C. Suitable for those suffering from dust mite allergy.

Overall mattress height: approx. 20 cm

Drill ticking design : 822

Textile description : 60% PES, 40% CLY

Available in firmness grades H2 and H3. Standard sizes 80/90/100 x 190/200 cm as well as extra large sizes up to 120/140/160 x 200/210/220 cm.

The quilting pattern may vary with extra-large sizes, for technical reasons.
